ROAD & UBER

If you are driving to the Club, please enter 'Napier Avenue' into your Sat Nav, this will direct you to the Main Gate entrance of the Club. Please be advised, there is a 7ft width restriction at this entrance.

To enter the Club via the Back Gate, please insert 'Broomhouse Lane' into your Sat Nav. Please note, you cannot exit from this gate. Members of Club security operate both gates and are available to speak to should you have any questions.

When arriving by Uber, the pick up or drop off point will automatically populate as the Back Gate of the Club at the cross streets of Broomhouse Lane and Daisy Lane. The Back Gate is closest to the East Wing where private events are held. If you would prefer to use the Main Gate, please move the location pin to the entrance at Napier Avenue. The postcode will not direct you properly. Please be informed that Uber and pre booked taxis can enter the Club grounds, but please ensure they are aware of your drop off and/or pick up location to avoid waiting.

PARKING

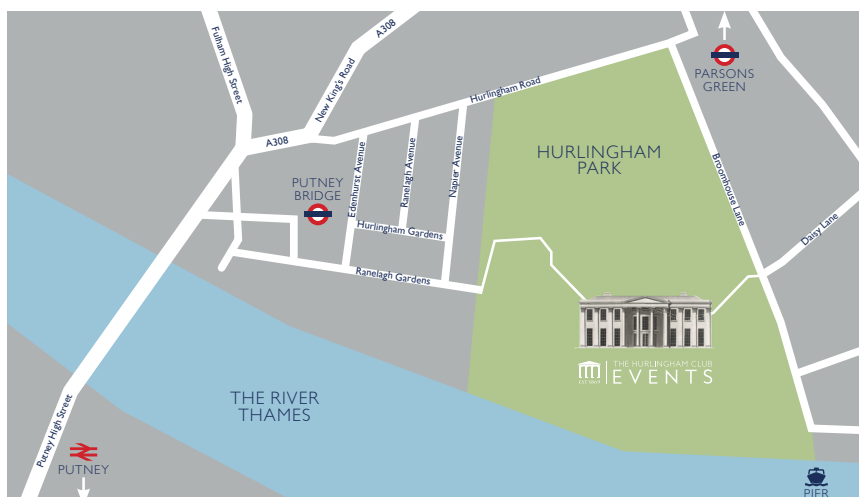

Parking at the Club is very limited and parking spaces offered on a first come first come serve basis.

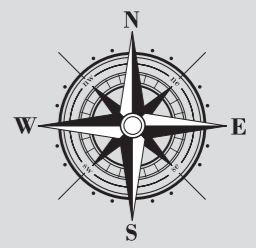

We strongly advise public transport or to arrive by taxi.

HELICOPTER & BOAT

This can be arranged for Helicopters to land on site, or arrive by Boat via the Hurlingham Yacht Club Pier.

Please speak to your Events Manager for more details.
